

DIRECTIONS

The Club is about 45 minutes east of Regina. It is about 15 minutes off the Trans Canada highway north of Indian Head on highway 56.

From the Trans Canada highway at the town of Indian Head turn north and stay on highway 56 until you reach the Club, which is just past the Katepwa Point Provincial Park. The Club House is visible from the highway on the top of a hill to the right.

An alternate route from Regina, the same distance as through Indian Head but more scenic and a few minutes longer, is through Fort Qu'Appelle. Go east on the Trans Canada to the town of Balgonie. Turn north onto Highway 10 at the overpass. At Fort Qu'Appelle keep a lookout for Highway #56 (Lebret and Katepwa). Take #56 along Mission Lake through the town of Lebret and along Katepwa Lake to the Club.

Katepwa is also within easy reach for those traveling the Yellowhead highway (# 16). Check your highway map for the shortest route.
